

So, you're off to Saskatchewan Polytechnic. Congratulations!

Some handy reminders:

Final [transcript request](#) done? Phone: 306.787.9525

Have you toured the campus? [Check tour opportunities.](#)

Do you have a place to live? [Housing Registries](#) provide some options.

Some students may become apprentices after they attend Sask. Polytechnic. Check out [Sask. Apprenticeship's trades list](#).

[Learning Services](#) help is available to all students. They offer writing help, math assistance and group presentations (time management, study skills, exam preparation, exam anxiety, writing skills and math skills). Use it!

Health and dental plans: Students can opt out of health and dental plans, if they are covered by an equivalent or better plan. You can only submit this application in the fall, and usually, it must be completed by September 30. This can save you well over \$200 each year. [Click here](#).

Still scanning your monthly Prairie South's [Career News](#)? Your school's admin assistant emails it to you at the beginning of each month, and it will keep you updated on the latest happenings, events, deadlines, and scholarships.

And lastly, best of luck on your fabulous journey!
